

MOVING TIPS FROM HERITAGE MOVING & STORAGE

APPLIANCES

Refrigerators - Empty all food and secure or remove shelving. Disconnect & drain ice maker line, remove and contain auxiliary hoses. Tape the electrical cord to the back of the refrigerator.

Washers - Remove & contain hoses. Place hoses in a sealed plastic bag to prevent damage to the drum. Front load machines come with shipping bolts from the manufacturer. Please have the bolts accessible for our movers to install.

Dryers - Remove & contain the vent. Tape the electrical cord to the back of the dryer.

LAMPS

Remove the shade, bulb & harp. Wrap the bulb, harp & base and place in the appropriate size moving carton. Package the shade with bubble wrap & place separately in an appropriate size moving carton. Tiffany or glass lamps should be professionally packaged by Heritage. Please ask about our professional packing services.

ELECTRONICS

Heritage Moving & Storage will provide the applicable flat screen cartons with inserts for your move at no extra cost. Smaller components can be packaged using bubble wrap and packing paper & placed in the appropriate carton. Please ask about our professional packing services.

MATTRESSES & UPHOLSTERY

Heritage Moving & Storage will include the mattress & upholstery bags in your moving estimate which is provided for you before the move. The cost is minimal and the proper supplies will protect your soft goods during the moving process.

TOOLS & LAWN EQUIPMENT

Drain power tools of gasoline & oil. Bundle long handled tools together for space efficiency. Wrap & package hand tools in layers with the heavier items on the bottom.

ITEMS TO PACK LAST

Load it last. Unpack it first. Remember the last items to be loaded on the truck will be the first items unloaded. Set aside items you may need until the last moment and will also need right away at your new home.

These items include: Towels - Toiletries - Tissue/Paper Towels - Vacuum Cleaner/Non- Aerosol Cleaning Supplies - Plastic /Styrofoam Cups, Plates & Utensils - Coffee Maker - Coffee Condiments - Cell Phone Chargers

Heritage Moving does NOT move: AEROSOL CANS or FLAMMABLE PRODUCTS
